### **RE: Acknowledgement of Donation Received from PVUMC Men's Fellowship**

The DMV Society of the Methodist Church in Zimbabwe Fellowship in the USA would like to acknowledge and express deepest appreciation to PUVUMC Men' Fellowship for the donation in the amount of One Thousand Dollars (**\$1000.00**) that you made towards Mathew Rusike Children's Home (MRCH), in Zimbabwe.

We confirm that this timely donation will go towards supporting the education needs of children at MRCH that are in dire need school fees. As a Society, we opted to closely partner with MRCH to select children especially in primary school to help keep a higher number of children in school so we can assist towards completion of at least primary education. MRCH currently has about 93 children under its care and the current economic and social environment in Zimbabwe is making it difficult for the Church in Zimbabwe to meet the education needs of these children.

Our other groups within MCZ Fellowship in USA, are engaging in efforts to meet the education costs of some children in secondary schools including in some in boarding schools. We do hope that while we are currently working towards fund raising for our initial cohort of children in primary school, we will in future be able to continue supporting some of them when they transition to secondary school.

We will provide information on the numbers, gender, age groups and grade level of the children covered by your very generous donation. We hope that you will continue to partner with us in this noble cause. May the Lord richly bless you and your Team!

Yours in Christ,

Paul Ndebele
